

# Lion Open 2018 Sponsorship Opportunities

Proceeds raised from the 2018 Lion Open Golf Classic, including sponsorships, will be utilized in our ten Linn-Mar buildings in the fall of 2018. We currently serve approximately 7,800 students in our district and growth continues to increase enrollment each year.

The additional funds the Foundation is able to provide because of the generosity of our donors are helping bridge critical gaps in our school budgets and bringing new opportunities for our students to succeed in the classroom.

You will be directly supporting the Foundation's K-12 classroom, curriculum and enrichment grant program which provides our educators with the tools and materials they need to further enhance the educational experience for our students.

**2018 Lion Open fundraising goal is \$15,000! Can you help us reach our goal?**
