

Dear Friends & Family,

Harper Leah was a beautiful, loving 4 year old girl and one of 6 siblings. Harper loved to dance, participate in gymnastics and basketball and ride her bike. Harper was always giving hugs and telling everyone that she loved them. Harper loved making new friends at preschool and she was very smart.

Harper's family established a scholarship fund to honor the life that she lived in just 4 short years. We know that if everyone loved like Harper, this world would be a much better place.

Our hope is that we as a community can come together to honor Harper's legacy by helping those who internalize Harper's loving spirit. Proceeds raised for the Harper Leah Memorial Scholarship will be managed and administered by the Linn-Mar School Foundation to benefit a graduating senior from Linn-Mar High School.

The first scholarship award in Harper's honor will be presented in May 2021. On behalf of the Harper Leah family, thank you for honoring and remembering Harper in this special way.

In order to make the *Harper Leah Memorial Scholarship* a reality, support from friends and family in any of the following ways would be greatly appreciated.
